### ADOPT-A-HOLE PROGRAM INTENT FORM

#### **ADOPT-A-HOLE INFORMATION**

---

The RBC Canadian Open is always an event to remember. To make this a successful championship, Golf Canada relies on the hard work and dedication of our volunteer team. Golf Canada would like to invite your club to marshal a specific hole for the championship. This is a wonderful opportunity for your members to come together and represent their golf club on both the national and international stage and have fun doing it.

Championship signage will identify your club as the official marshals of a specified hole during tournament week. Clubs will be responsible for providing volunteers from Monday to Sunday of championship week. Approximately 20 to 30 volunteers are needed for the week to cover the required shifts. Please note that volunteers are required to work at least 18 hours over a minimum of 3 days during the championship.

All volunteers are required to pay the \$65 volunteer fee. This entitles each volunteer to a volunteer package worth over \$300 (See the volunteer application for the list of great items included in your volunteer package). Other benefits included recognition of your golf club on the course and in our Volunteer Newsletter, the experience of being inside the ropes at a professional sporting event and witnessing the world's greatest golfers compete.

Interested clubs should return the Adopt-A-Hole Intent form and distribute volunteer applications to members. One volunteer must be designated as the club representative. The club representative will be the main contact before and during the event and should be prepared to help to recruit and/or schedule volunteers. Holes will be adopted on a first come – first served basis, based upon the number of volunteers registered, not the date we receive your Intent form. We therefore recommend that interested clubs encourage members to submit application forms as soon as possible.

How to Register:

1. Return the Adopt-A-Hole Intent Form to Milaina Lagzdins at [mlagzdins@golfcanada.ca](mailto:mlagzdins@golfcanada.ca) or fax 905-845-7040 to express your interest in participating in our Adopt-a-Hole program and designate a club representative.
2. Distribute volunteer application forms to members or have members apply online at [www.rbccanadianopen.com](http://www.rbccanadianopen.com). Encourage members to submit their forms as soon as possible.
3. Twenty (20) volunteers are required to secure a hole. You will be confirmed as an official Adopt-a-Hole club once enough applications have been received. Remember, holes are assigned based upon the number of volunteers registered, not the date we receive your Intent Form. In the past, positions filled up in March prior to the championship.

**Thank you for volunteering!**
