IN THE RULES OF AMATEUR STATUS, THE GENDER USED IN RELATION TO ANY PERSON IS UNDERSTOOD TO INCLUDE BOTH GENDERS. THE GOLF CANADA RULES OF AMATEUR STATUS APPLIES TO ALL GOLFERS IN CANADA.

DEFINITIONS

The Definitions are listed alphabetically and, in the Rules themselves, defined terms are in *italics*.

Amateur Golfer

An “*amateur golfer*” is one who plays the game as a non-remunerative and non-profit-making sport and who does not receive remuneration for teaching golf or for other activities because of *golf skill or reputation*, except as provided in the *Rules*.

Committee

The “*Committee*” is the Amateur Status Committee of Golf Canada.

Golf Skill or Reputation

Generally, an amateur golfer is only considered to have *golf skill or reputation* if he has had competitive success at the local level or competes at the national level. Golf reputation can only be gained through golf skill and does not include prominence for service to the game of golf as an administrator. It is a matter for Golf Canada to decide whether a particular amateur golfer has *golf skill or reputation*.

Instruction

“*Instruction*” covers teaching the physical aspects of playing golf, i.e., the actual mechanics of swinging a golf club and hitting a golf ball. Note: *Instruction* does not cover teaching the psychological aspects of the game or the Etiquette or Rules of Golf.

Junior Golfer

A “*junior golfer*” is an *amateur golfer* who has not reached their 19th birthday prior to the last day of an event.

Prize Voucher

A “*prize voucher*” is a voucher or gift certificate issued by the Committee in charge of a competition for the purchase of goods from a professional’s shop or other retail source.

Retail Value

The “*retail value*” of a prize is the price at which the prize is generally available from a retail source at the time of the award.

Rule or Rules

The term “*Rule*” or “*Rules*” refers to the Rules of Amateur Status as determined by Golf Canada.

Symbolic Prize

A “*symbolic prize*” is an item such as a bowl, plate, pitcher, watch, ring or similar trophy provided that the symbolic nature is evidenced by distinctive permanent marking.

Testimonial Award

A “*testimonial award*” is an award for notable performances or contributions to golf as distinguished from competition prizes. A *testimonial award* may not be a monetary award.

Rule 1 - Amateurism

1-1 General

An *amateur golfer* must play the game and conduct himself in accordance with the *Rules*.

1-2 Amateur Status

Amateur Status is a universal condition of eligibility for playing in golf competitions as an *amateur golfer*. A person who acts contrary to the *Rules* may forfeit his status as an *amateur golfer* and as a result will be ineligible to play in amateur competitions.

Any organizer or sponsor of an amateur competition or a golf competition involving *amateur golfers* who permits, encourages, or condones actions contrary to *Rules* bears the responsibility for which an *amateur golfer* may be penalized.

1-3 Purpose and Spirit of the Rules

The purpose and spirit of the *Rules* is to maintain the distinction between amateur golf and professional golf and keep the amateur game as free as possible from the abuses that may follow from uncontrolled sponsorship and financial incentive. It is considered necessary to safeguard amateur golf, which is largely self-regulating with regard to the Rules of play and handicapping, so that it may be fully enjoyed by all *amateur golfers*.

1-4 Doubt as to Rules

A person who wishes to be an *amateur golfer* and who is in doubt as to whether taking a proposed course of action is permitted under the *Rules*, should consult Golf Canada.

An organizer or sponsor of an amateur golf competition or a competition involving *amateur golfers* who is in doubt as to whether a proposal is in accordance with the *Rules* should consult Golf Canada.

Any *amateur golfer*, organizer, or sponsor who considers that any action they are proposing to take might endanger their amateur status may, in writing, submit particulars to the Director of Amateur Status of Golf Canada for advice. If dissatisfied with that advice, the *amateur golfer*, organizer, or sponsor may request that the matter be referred to the *Committee* for decision. The decision of the *Committee* is final, subject to an appeal as provided in these *Rules*.

8-2 DECISION ON A BREACH

If the *Committee* receives information of a possible act contrary to the *Rules* of Amateur Status by a player claiming to be an *amateur golfer*, it is a matter for the *Committee* to decide whether a breach has occurred. Each case will be investigated to the extent deemed appropriate by the *Committee* and considered on its merits. The decision of the *Committee* is final, subject to an appeal as provided in these *Rules*.

Note: The *Committee* may delegate responsibility for investigation of a possible breach and decision to an appropriate sub-*Committee*, whose decision is final, subject to the following: a decision by the sub-*Committee* may be appealed to the Amateur Status *Committee* whose decision is final, subject to an appeal as provided in the *Rules*.

8-3 ENFORCEMENT

Upon a decision that a person has breached the *Rules*, the *Committee* may declare the Amateur Status of the person forfeited or require the person to refrain or desist from specified actions as a condition of retaining his Amateur Status.

The *Committee* should notify the person and may notify any interested golf association or club of any action taken under Rule 8-2.

8-4 Appeals procedure

An individual who wishes to appeal a decision of the *Committee* will have

15 days from the date the decision was made to submit a Notice of Appeal addressed to Golf Canada Executive Director at the offices of Golf Canada. The appeal will be handled in accordance with Golf Canada Dispute Resolution and Appeal Policy, a copy of which may be obtained from Golf Canada.

Rule 9 - Reinstatement of Amateur Status

9-1 General

The *Committee* has the sole authority to reinstate a person to Amateur Status, prescribe a waiting period necessary for reinstatement or to deny reinstatement, subject to an appeal as provided in the *Rules*.

9-2 Applications for Reinstatement

Each application for reinstatement will be considered on its merits, with consideration normally being given to the following principles:

(a) Awaiting Reinstatement - The professional golfer is considered to hold an advantage over the *amateur golfer* by reason of having devoted himself to the game as his profession; other persons infringing the *Rules* also obtain advantages not available to the *amateur golfer*. They do not necessarily lose such advantages merely by deciding to cease infringing the *Rules*. Therefore, an applicant for reinstatement to Amateur Status must undergo a period awaiting reinstatement as prescribed by the *Committee*.

(b) Period Awaiting Reinstatement - The period awaiting reinstatement generally starts from the date of the person's last breach of the *Rules* unless the *Committee* decides that it starts either from the date when the person's last breach became known to the *Committee* or such other date determined by the *Committee*.

Generally, the period awaiting reinstatement is related to the period the applicant was in breach of the *Rules*. However, no applicant is normally eligible for reinstatement until he has conducted himself in accordance with the *Rules* for a period of at least one year.

However, the *Committee* reserves the right to extend or to shorten such a period. Longer periods will normally be required of applicants who have been in breach of the *Rules* more than five years. Players of national *golf skill* or *reputation* who have been in breach of the *Rules* more than five years will not normally be eligible for reinstatement.

(c) Number of Reinstatements - A person is not normally eligible to be reinstated more than twice.

(d) Status While Awaiting Reinstatement - During the period awaiting reinstatement an applicant for reinstatement must comply with these *Rules* as they apply to an *amateur golfer*.

An applicant for reinstatement is not eligible to enter competitions as an *amateur golfer*, except that he may enter competitions and win a prize solely among members of a club where he is a member, subject to the approval of the club. He must not represent such club against other clubs, except with approval of the clubs in the competition and/or the organizing *Committee*.

He may also, without prejudicing his application, enter competitions that are not limited to *amateur golfers*, subject to the Conditions of the Competition, provided he does so as an applicant for reinstatement. He must waive in writing his right to any prize money offered in the competition and must not accept any prize reserved for an *amateur golfer*.

9-3 Procedure for Applicants

Each application for reinstatement must be submitted to the *Committee*, in accordance with such procedures as may be laid down and including such information as the *Committee* may require.

9-4 Appeals Procedure

See Rule 8-4.

Rule 10 - Committee Decision

10-1 Committee's Decision

The *Committee's* decision is final, subject to an Appeal as provided in Rules 8-4 and 9-4.

GOLF CANADA
POLICY ON GAMBLING

General

An "amateur golfer" is one who plays the game as a non-remunerative and non-profit-making sport. Financial incentive in amateur golf, which can be the result of some forms of gambling or wagering, could give rise to abuse of the Rules both in play and in manipulation of handicaps that would be detrimental to the integrity of the game.

There is a distinction between playing for prize money (Rule 3-1), gambling or wagering that is contrary to the purpose and spirit of the Rules (Rule 7-2), and forms of gambling or wagering that do not, of themselves, breach the Rules. An amateur golfer or a Committee in charge of a competition where amateur golfers are competing should consult with Golf Canada if in any doubt as to the application of the Rules. In the absence of such guidance, it is recommended that no cash prizes be awarded so as to ensure that the Rules are upheld.

Acceptable Forms of Gambling

There is no objection to informal gambling or wagering among individual golfers or teams of golfers when it is incidental to the game. It is not practicable to define informal gambling or wagering precisely, but features that would be consistent with such gambling or wagering include:

- the players in general know each other;
- participation in the gambling or wagering is optional and is limited to the players;
- the sole source of all money won by the players is advanced by the players; and
- the amount of money involved is not generally considered to be excessive.

Therefore, informal gambling or wagering is acceptable provided the primary purpose is the playing of the game for enjoyment, not for financial gain.

Unacceptable Forms of Gambling

Other forms of gambling or wagering where there is a requirement for players to participate (e.g. compulsory sweepstakes) or that have the potential to involve considerable sums of money (e.g. calcuttas and auction sweepstakes - where players or teams are sold by auction) are not approved.

Otherwise, it is difficult to define unacceptable forms of gambling or wagering precisely, but features that would be consistent with such gambling or wagering include:

- participation in the gambling or wagering is open to non-players; and
- the amount of money involved is generally considered to be excessive.

An amateur golfer's participation in gambling or wagering that is not approved may be considered contrary to the purpose and spirit of the Rules (Rule 7-2) and may endanger his Amateur Status.

Furthermore, organized events designed or promoted to create cash prizes are not permitted. Golfers participating in such events without first irrevocably waiving their right to prize money are deemed to be playing for prize money, in breach of Rule 3-1.

Note: The Rules of Amateur Status do not apply to betting or gambling by amateur golfers on the results of a competition limited to or specifically organized for professional golfers.

5 VIOLATION DETAILS

State complete details of all violations, including exact dates (day, month, year) description of competitions, prizes won, etc. Under Rules reference, give the number of all Rules to which you answered Yes on Pages 4, 5 and 6 such as Rule 2, 3-2(a) or Rule 4-1 etc. State violations in chronological order in which they occurred.
