

2010 WOMEN'S ORDER OF MERIT

Please note the following conditions which will continue to apply to the Criteria and Points:

1. A maximum of ten (10) tournaments will count for points
2. Three designated events will count automatically for points
 - i) Royale Canadian Women's Amateur Championship
 - ii) One(1) CN Tour event
 - iii) Provincial amateur championship of the player's home province
3. For juniors, one (1) additional event, the "25% of Jr. OOM Points", will count automatically for points up to a maximum of 160 points
4. Up to seven (7) (six (6) for juniors) additional events of the player's choosing from the list below will count for points

General Notes:

1. If a player does not play in all three designated events, they may not substitute another event from the tournament listing. This will then result in less than ten events counting for points.
2. Points earned in match play, either through medal qualifying or matches, will count as one tournament
3. A player may play in more than ten events on the tournament listing and only the best ten results will count for points
